

Afterwards

How can you know
what lies beneath the surface?
how do you see
what's behind the lines you read?

Afterwards
then you know, you know
Afterwards
then you know, you know

How can you feel
what's fake and what is real?
how do you know
when someone's deceiving you

Afterwards
then you know, you know
Afterwards
then you know, you know

Afterwards
when the plot is getting thicker
and the scam is getting obvious
then you know, then you know

tema

You're getting tricked
right by the light of day
you're gonna pay
for the rest of your putrid life

You're gonna smile
and serve another big fat lie
it's just a surface
ignore what lies behind

Afterwards
when the plot is getting thicker
and the scam is getting obvious
then you know, then you know
