

## Bon Temps

I wanna go to the south  
looking for good times  
I ended up in the swamps  
where they are acting strange

Bon Temps -  
is a wonderful place to go  
Bon Temps -  
vampires and werewolves  
Bon Temps -  
come on down here and see the  
show  
Bon Temps -  
shifters and stray cats

I'm cruising round in the night  
looking for action  
I ended up in a fight  
fighting like cats and dogs

Bon Temps -  
is a wonderful place to go  
Bon Temps -  
vampires and werewolves  
Bon Temps -  
come on down here and see the  
show  
Bon Temps -  
shifters and stray cats

Don't get in the way of  
weird and magic creatures  
They're gonna shred you up  
with their nasty features

Stay at the Merlotte's and  
get a southern serving  
Fangtasia may be tempting  
but you'll end up enslaved

They're running out in the night  
zapping like lightning  
I ended up in a bar  
only to see your shadow

Bon Temps -  
is a wonderful place to go  
Bon Temps -  
vampires and werewolves  
Bon Temps -  
come on down here and see the  
show  
Bon Temps -  
shifters and stray cats
