

## Celebrating Christmas

The hard times are gone now  
and we're having fun now  
the lights are shining bright  
in the glowing night

I jingle with them bells  
and this is what they tell  
the light is coming back  
cos we're right on the track

We're celebrating Christmas,  
Christmas  
we're having such a good time,  
good time  
We're celebrating Christmas,  
Christmas  
we're having such a good time,  
good time

Swirling up  
twirling round  
dance ahead  
dreaming sound

Floating eyes  
showing off  
swaying clothes  
gleaming light

We've been waiting so long  
to get the good times back  
we're dancing around the tree  
waiting for the sun to come

We're celebrating Christmas,  
Christmas  
we're having such a good time,  
good time  
We're celebrating Christmas,  
Christmas  
we're having such a good time,  
good time

We're celebrating Christmas,  
Christmas  
we're having such a good time,  
good time  
We're celebrating Christmas,  
Christmas  
we're having such a good time,  
good time
