

## Day without End

Would you like to spend  
a day without an end  
would you like to do it  
over and over again

Day without end  
night without stars  
what would we be  
if we had to repeat

Would you like to go  
and see an endless show  
would you like to be the  
freak of your own vaudeville

Day without end  
night without stars  
what would we be  
if we had to repeat

The days fade into darkness  
you better wear a harness  
you call upon your hero  
as long as it's not a zero

The night goes on forever  
you thought it's now or never  
but that doesn't really matter  
as long as you've got your avatar

Would you like to sleep  
and would you like to peep  
would you like to see what's  
going on in your own dream

Day without end  
night without stars  
what would we be  
if we had to repeat

Day without end  
night without stars  
what would we be  
if we had to repeat

Day without end  
night without stars  
what would we be  
if we had to repeat
