

Got to get you into my life

Lennon-McCartney

I was alone, I took a ride,
I didn't know what I would find there.
Another road, where maybe I
could see another kind of mind there.

Ooh, then I suddenly see you.
Ooh, did I tell you I need you
Ev'ry single day of my life?

You didn't run, you didn't lie,
you knew I wanted just to hold you.
And had you gone you knew in time
we'd meet again for I'd have told you.

Ooh, you were meant to be near me.
Ooh, and I want you to hear me
say we'll be together ev'ry day.

Got to get you into my life!
Got to get you into my life!

Solo (Guit., Synth.)

What can I do, what can I be,
when I'm with you I want to stay there.
If I'm true I'll never leave
and if I do I know the way there.

Ooh, then I suddenly see you.
Ooh, did I tell you I need you
Ev'ry single day of my life?

Got to get you into my life!
Got to get you into my life!

Got to get you into my life!
Got to get you into my life!
Got to get you into my life!
Got to get you into my life!
