

# Lilith

Soaked in blood  
you come to me  
you told me so  
oh set me free

Lilith - I drink your blood  
Lilith - I drink all of you  
Lilith - I fill my cup  
Lilith - I'll drink you up

You chose me  
I drink of you  
I taste your strength  
It feels so true

Lilith - I drink your blood  
Lilith - I drink all of you  
Lilith - I fill my cup  
Lilith - I'll drink you up

Lost my self  
you rule me now  
I cry for help  
I drown in you

Lilith - I drink your blood  
Lilith - I drink all of you  
Lilith - I fill my cup  
Lilith - I'll drink you up
