

## Mayday

I'm sailing on the ocean  
of fortune and fame.  
I'm losing your devotion  
in this ruthless game.

I'm calling Mayday  
why don't you hear me?  
I'm calling Mayday  
won't you come near me?

You've left me for another...  
just to have some fun.  
How could you cheat your lover...  
say I'm still the one

I'm calling Mayday  
why don't you hear me?  
I'm calling Mayday  
won't you come near me?

I don't know why I have lost your sweet lovin'  
You tell me lies knowing not what it's costin'...  
knowing not what you're doing to me. No!
