

## Monster

Something's there  
beyond awareness  
within your mind  
it's an odd sensation  
one of a kind

I am a monster  
roaming inside your head  
I am a monster  
right here under your bed

Something's there  
beyond horizon  
lurking behind  
I can barely see it  
it's hard to find

I am a monster  
roaming inside your head  
I am a monster  
right here under your bed

I am a monster  
roaming inside your head  
I am a monster  
right here under your bed

You can't hold me back  
I'm coming just for you  
creeping in the dark alone  
I'm waiting here for you

Sipping up your dreams  
I'm telling you the truth  
I can be rude and mean  
you won't like what you see

It's a strange  
and eerie feeling  
hope it goes away  
it's up on the ceiling  
it's here to stay

I am a monster  
roaming inside your head  
I am a monster  
right here under your bed

I am a monster  
roaming inside your head  
I am a monster  
right here under your bed
