

## Now that You're gone

The autumn sky is blue  
not a cloud is in the air  
You left so suddenly  
as if someone was waiting for you

The harvest moon did its  
dirty trick again  
how could you do this to me  
couldn't you see how lonely I was

Now that You're gone  
now that You're gone  
I can't take it no more  
now that You're gone  
now that You're gone  
I am flat on the floor

Now that You're gone  
now that You're gone  
I am free to despair  
now that You're gone  
now that You're gone  
I can walk on the air

The flowers I sent to you  
are all withering away  
They're lying on your doorstep  
just waiting for you to pickup

You never looked my way  
never saw who I was  
now it's too late to catch up  
for the world has turned away

Now that You're gone  
now that You're gone  
I can't take it no more  
now that You're gone  
now that You're gone  
I am flat on the floor

Now that You're gone  
now that You're gone  
I am free to despair  
now that You're gone  
now that You're gone  
I can walk on the air
