

Room 101

It's really nothing special
it's just an empty room
you come with material
the things, you know go boom

Room 101 is ready
filled up with dreams and
nightmares
Room 101 is steady
you'll never get out - who cares

I came here yesterday
at least that's what I thought
but I've been here for ages
the days just fade to noughts

Room 101 is ready
filled up with dreams and
nightmares
Room 101 is steady
you'll never get out - who cares

And though I miss you
I will forsake you
and though you miss me
you will forsake me

And though I miss you
I will forsake you
I know you'll do too
they're gonna break you!

The world outside is scary
I don't want to be a sloth
it's just like a ferry
my thoughts go back and forth

Room 101 is ready
filled up with dreams and
nightmares
Room 101 is steady
you'll never get out - who cares

Room 101 is ready
filled up with dreams and
nightmares
Room 101 is steady
you'll never get out - who cares
