

Secrets

I'm sitting here again
I'm looking out my window
I don't see anything
I keep it to myself

Isolation keeps me
locked away
to a place you don't
want to be near

Secrets, no one
wants to know
secrets, no one
wants to share

We keep it all
to ourselves
silence will cover
the shame

I don't know where to go
I'm blinded by my fear
the secrets I can't say
and you don't want to hear

Bottled up with secrets
no one will hear
dusty darkness throwing
out its veil

Secrets, no one
wants to know
secrets, no one
wants to share

We keep it all
to ourselves
silence will cover
the shame

A life in darkness
a muted mind
The lonely road goes on
I'm all on my own

I'm trapped in silence
I dare not speak out
Images are flying
we all live in doubt

I end up in the mud
I'm stuck in my despair
I'm hiding in the shame
pretend that I don't care

Secrets, dark and vile
I hide behind a smile
numbness in my soul
I'm growing old

Secrets, no one
wants to know
secrets, no one
wants to share

We keep it all
to ourselves
silence will cover
the shame
