- e. Alien walk (instrumental)

- f. Social behavior
- g. I'm singing alone
- h. Cosmic rain, Part 1 & 2 (instr.)
- i. Star people (reprise)
- j. I wanna go home

a. Star people

b. You left me

They think we came to help
but I don't recall a thing
all I do is to clutch myself
but I still like the bling

The sun is setting
the rain has come to an end
the scars are, are mending
but still there's a nagging pain

We're the Star people
and we don't belong to earth
we're the Star people
and we're regretting our birth

You left me
many years ago
you left me
don't you think I know
you left me
in the pouring rain
you left me
on the field of bones

They lock us up in rooms
and medicate us strange
I want to be leaving soon
I don't know who to blame

The moon is shining
and I can see by it's light
the shapes in the distance
are coming so close tonight

We're the Star people
and we don't belong to earth
we're the Star people
and we're regretting our birth

You left me
many years ago
you left me
don't you think I know
you left me
in the pouring rain
you left me
on the field of bones

The dead end is glowing
the road is turning down
the stars has stopped showing
the bells has stopped to sound

c. City of light (instrumental)

d. Amnesia

I lost my sense of direction
I don't know my purpose
they think I'm on a big mission
it's not my decision

Amnesia - feeling lost and lonely
amnesia - I can't be the only
amnesia - wonder what
I'm missing
amnesia - why can't they
just listen

I'm waiting for my connection
restoring my memory
nothing is ever to happen
I'm just a bad model

Amnesia - feeling lost and lonely
amnesia - I can't be the only
amnesia - wonder what
I'm missing
amnesia - why can't they
just listen

e. Alien walk (instrumental)

f. Social behavior

I don't know where to sit
I don't know how to fit
I don't know what to say
I don't know when to leave

Social behavior
a city on the moon
social behavior
I bet you need a spoon

I don't know where to look
I don't know how to walk
I don't know what to be
I don't know when to smile

Social behavior
a city on the moon
social behavior
I bet you need a spoon

Social behavior
a city on the moon
social behavior
I bet you need a spoon

g. I'm singing alone

I'm singing and playing
I think I have to
I'm dancing and swaying
I think I need to

I'm singing alone
nobody hears my song
I'm dancing alone
nobody sees my steps

nobody is caring
I'm just a spoiled brat
they just keep on walking
I'll put on my hat

I'm singing alone
nobody hears my song
I'm dancing alone
nobody sees my steps

h. Cosmic rain, Part 1 & 2
(instrumental)

i. Star people (reprise)

I'm looking at the sky
as life will be passing by
the rare birds will fly so high
and I just want to go

We're the Star people
and we don't belong to earth
we're the Star people
and we're regretting our birth

We're the Star people
and we don't belong to earth
we're the Star people
and we're regretting our birth

k. I wanna go home

Lying on my bed
with a drop of life in my vein
I can't take it in
life without feeling pain

I wanna go home
to the city of light
I wanna go home
to my world without fight

Looking at the sky
feeling trapped again in my flesh
throwing chairs around
clearing tables with a crash

I wanna go home
to the city of light
I wanna go home
to my world without fight

I wanna go home
to the city of light
I wanna go home
to my world without fight

I wanna go home
to the city of light
I wanna go home
to my world without fight
