

Towards the light

I am alone here, something is not right
I am beyond fear in this half of light
I don't know if it's day or if it's night
Though it seems I have lost the fight

Walk towards the light
walking in the night
walk away from fight
walking out of sight

I'm calling out to someone in the dark
I hope that someone can hear me cry out
I am watching out for a secret sign
though I fear that I may be blind

Walk towards the light
walking in the night
walk away from fight
walking out of sight

Running in a maze
running in the haze
though you may be dazed
don't you lose your way

Walk towards the light
walking in the night
walk away from fight
walking out of sight

Walking in the rain
I can feel no pain
what is left to gain
nothing more to say
