

Waitress

Serving at the coffee temple
like a vestal virgin
clearing off the coffee tables
as the day is turning

Waitress, a forgotten
vestal virgin
waitress, no one ever
see the disguise

Dreaming at the coffee machine
hissing like a mad snake
fancy dress and fancy hairdo
can't you see it's all fake

Waitress, a forgotten
vestal virgin
waitress, no one ever
see the disguise

Waitress, a forgotten
vestal virgin
waitress, who's adoring
you tonight

Rising up, the cosmic light burns
cataract of white gold
serving gods and all the clerics
coffee shot, espresso

Waitress, a forgotten
vestal virgin
waitress, no one ever
see the disguise

Waitress, a forgotten
vestal virgin
waitress, who's adoring
you tonight
