

Christmas alone

We use to have a party
we use to have a ball
now everyone's at home
there'll be no Christmas at all

Christmas alone
I light the lonely candle
Christmas alone
I think it's hard to handle

I decorate the tree
but no ones there to see
I take some photos here
and put them up on my page

Christmas alone
I light the lonely candle
Christmas alone
I think it's hard to handle

I eat the roasted pork
and drink a glass of wine
I light the Christmas tree
a merry sight to be seen

I'm dancing with my self
around the Christmas tree
the gift is to my self
I put it on the shelf

I wish you were here with me
I wish I was there with you
I wish we were all together
oh let the light shine on through

Christmas alone
I light the lonely candle
Christmas alone
I think it's hard to handle

Christmas alone
I light the lonely candle
Christmas alone
I light a thousand candles
