

Christmas bells

The snow is falling gently
I see it from my window sill
the light is shining softly
reflecting our eyes in the dark

Ding, dong, ding, dong,
the Christmas bells are
ringing, ding, dong,
the Christmas time is here again

I hear the bells are calling
I know the Christmas time is near
my thoughts are going out now
to the loved ones I hold so dear

Ding, dong, ding, dong,
the Christmas bells are
ringing, ding, dong,
the Christmas time is here again

They come from near and afar
they come by train, by plane and car
we want to celebrate it
we want to see the light turn back

Ding, dong, ding, dong,
the Christmas bells are
ringing, ding, dong,
the Christmas time is here again

Ding, dong, ding, dong,
the Christmas bells are
ringing, ding, dong,
the Christmas time is here again

Ding, dong, ding, dong,
the Christmas bells are
ringing, ding, dong,
the Christmas time is here again

Ding, dong, ding, dong,
the Christmas bells are
ringing, ding, dong,
the Christmas time is here again

Juleklokker (dansk oversættelse)

Nu daler sneen stille
jeg ser det fra min vindueskarm
og lyset i min brille
det spejler trængsel og alarm

Ding, dong, ding, dong,
nu ringer juleklokker
ding, dong,
for nu er julen her igen

Jeg hører klokken kalde
jeg ved det snart er juletid
hvor sneen blidt vil falde
så er det tid til sneboldstrid

Ding, dong, ding, dong,
nu ringer juleklokker
ding, dong,
for nu er julen her igen

Vi rejser hjem fra verden
med tog, med båd og bil og fly
vi følger solens færden
og fejrer lyset her på ny

Ding, dong, ding, dong,
nu ringer juleklokker
ding, dong,
for nu er julen her igen

Ding, dong, ding, dong,
nu ringer juleklokker
ding, dong,
for nu er julen her igen

Ding, dong, ding, dong,
nu ringer juleklokker
ding, dong,
for nu er julen her igen

Ding, dong, ding, dong,
nu ringer juleklokker
ding, dong,
for nu er julen her igen
