

# Akasha

Akasha, Akasha  
in open space an endless place  
Akasha, Akasha  
the astral world, the endless word

Akasha, Akasha  
a memory lane, a knowledge plane  
Akasha, Akasha  
a field of thoughts, a spirit force

Akasha, Akasha  
you've seen it all and heard it all  
Akasha, Akasha  
my brightest day, my darkest night
