

## End of Tomorrow

I look to the future  
anticipating much  
all should be said and done now  
we're getting by and such

By the end of tomorrow  
It's gone for sure  
by the end of the sorrow  
we got to endure

See the fortune teller  
I get the latest news  
I'm waiting for tomorrow  
I wonder what it brings

By the end of tomorrow  
It's gone for sure  
by the end of the sorrow  
we got to endure

By the end of tomorrow  
who are we gonna be  
by the end of tomorrow  
we look and we look back

By the end of tomorrow  
the bird has flown away  
by the end of tomorrow  
we sit and we're watching

I'm catching my breath now  
at the end of the day  
I wonder what went by here  
I can't believe it's gone

By the end of tomorrow  
It's gone for sure  
by the end of the sorrow  
we got to endure

By the end of tomorrow  
It's gone for sure  
by the end of the sorrow  
we got to endure
