

## Filthy lies

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop

I used to trust everybody  
I used to tell the truth  
Now you came here with your money  
thought you could buy me love

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop

Lying all the time  
lying all the while

You said you'd love me forever  
you said you'd always be true  
I know now you will not never  
you're lying, yes you do

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop

Lying all the time  
lying all the while

I used to trust in you blindly  
what do I get in return  
I used to treat you so kindly  
now you can go and burn

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop

Lying all the time  
lying all the while

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop

Lies, lies, filthy lies  
you tell me  
Lies, lies, ugly lies  
you can't stop
