## b. Winter is coming

Winter is coming  
before we know it  
it's upon us

Winter is coming  
before we know it  
it's upon us

c. Fatal attraction

I'm looking here  
I'm looking there  
I want to increase  
my knowledge

But life's a fight  
you know I'm right  
I have to go to  
the battlefield

I want to have some action  
I lost my only faction  
it was a fatal attraction  
and now I'm just a refugee

I fool around  
I cheat a lot  
I guess you can call me  
a scavenger

I hide myself  
in silent shroud  
I know I'm not an  
honest man

I want to have some action  
I lost my only faction  
it was a fatal attraction  
and now I'm just a refugee

I want to have some action  
I lost my only faction  
it was a fatal attraction  
and now I'm just a refugee

d. Experience (instrumental)

e. Love on the battlefield

We meet again  
each side of the battlefield  
we meet again  
each side of the kitchen sink

Love on the battlefield  
we play our roles as we're told  
love, and we hide ourselves  
we don't know how to unfold

I try to love  
but you don't know what it is  
I try to show  
but you think I will attack

Love on the battlefield  
we play our roles as we're told  
love, and we hide ourselves  
we don't know how to unfold

f. Awkward

Awkward, I feel so awkward  
stranger, I am a stranger  
in my life  
danger, I feel the danger  
danger, it's coming from the  
dark side of me

Awkward, I feel so awkward  
stranger, I am a stranger  
in my life  
danger, I feel the danger  
danger, it's coming from the  
dark side of me
