

## Remember?

Creeping away in the darkness  
running from shelter to shelter  
glancing up to the skies  
see the moon that cries

Always the same pretty picture  
of a man lost in a maze of thoughts  
trying to reassemble  
trying to remember

In a dream we fly away  
to a brighter sunny day  
we will laugh and we will sing  
about the joy the future will bring

Shuddering in the cold sunshine  
wishing that life was a joyride  
you could be what you wanted to  
you could be just anyone

Playing the fool in a courtyard  
making a menace to the strangers  
playing with your identity  
playing slightly out of tune

In a dream we fly away  
to a brighter sunny day  
we will laugh and we will sing  
about the joy the future will bring

Remember? Remember!  
Remember? Remember!  
Remember? Remember!  
Remember? Remember!

In the beginning you knew  
then you pretended to forget

then you pretended to forget,  
pretended to forget you forgot

then you forgot you pretended  
do you remember?  
Remember! Remember?

Solo

In a dream we fly away  
to a brighter sunny day  
we will laugh and we will sing  
about the joy the future will bring

In a dream we fly away  
to a brighter sunny day  
we will laugh and we will sing  
about the joy the future will bring

Tema m.m.

Do you remember the lights  
do you remember your rights  
do you remember you were kings  
can't you remember anything

Do you remember the lights  
do you remember your rights  
do you remember you were kings  
can't you remember anything at all
