

## Scream and shout

I hurry away  
I don't wanna stay  
I don't want to see  
that you're going your way

I hurry away  
I don't wanna stay  
I don't want to see  
that you're going your way

I hold on my breath  
the time's standing still  
I try not to think  
I am feeling kinda ill

I scream and shout  
cause I live in doubt  
what's it all about  
am I the only to wonder

I scream and shout  
cause I live in doubt  
what's it all about  
am I the only to wonder

You left me behind  
I'm standing alone  
you're one of a kind  
now I've turned to stone

I scream and shout  
cause I live in doubt  
what's it all about  
am I the only to wonder
