

## Traveling

I sit and watch the stars  
they come so close tonight  
my dreams are far away  
I don't know what to say

I'm traveling among the stars  
my thoughts are going up high  
I know I'm fading away

Across the universe  
my thoughts are traveling fast  
you left and went away  
I know we'll meet someday

I'm traveling among the stars  
my thoughts are going up high  
I know I'm fading away

Dimension  
retention  
possession  
I continue

reflection  
the distance  
creation  
the reaction

I use the hidden steps  
the floor's too far away  
the windows are open  
I'm taking in the view

I'm traveling among the stars  
my thoughts are going up high  
I know I'm fading away

I'm traveling among the stars  
my thoughts are going up high  
I know I'm fading away
