

## Where have you been?

Where have you been all my life?  
why did you hide away for so long?  
we made a deal where time stands still  
thought I could find you soon, but you were nowhere to be found

We decided to play a game  
where no one knows the rules  
Now it seems that we are lost  
and we're acting like the fools

Where have you been all my life?  
is it a part of the game that we play?  
do you know something that I don't?  
thought I could find you out, but still you keep me puzzled about you

We decided to play a game  
where no one knows the rules  
Now it seems that we are lost  
and we're acting like the fools
