

Christmas Sleigh

Seven days to Christmas
never seen a snowflake
winter wonderland is fake
still I'm dreaming of

Riding the Christmas sleigh
ringing the Christmas bells
lightning the Christmas tree
there is so much to see

Dreaming of the old days
making small amendments
winter wonderland is real
yes, I'm dreaming of

Riding the Christmas sleigh
ringing the Christmas bells
lightning the Christmas star
no matter where you are

I believe in Christmas
I believe in good times
I don't need the snow, but
still I am dreaming of

Riding the Christmas sleigh
ringing the Christmas bells
lightning the Christmas tree
there is so much to see

Riding the Christmas sleigh
ringing the Christmas bells
lightning the Christmas star
no matter where you are
